of his old chums of 30 or 35 years of age. He has been a member of the better, his wife and children, who weighed them at the time he lifted them and who will make oath to it at any time. Mr. Shurtliff is remembered as being at the head of the Willimantic police force in the early 80s.

WEDDING.

Andrews-Flint.
A pretty fall wedding was that performed on Monday at the home of the bride, Mrs. H. E. Remington, when Miss Hazel I. Flint and Russell A. Andrews, both of Willimantic, were united in marriage. The ceremony was quiet, only the immediate families being present, and simple, the bride and groom being unattended. After the ceremony refreshments were served and then Mr. and Mrs. Andrews left on a wedding trip, on the return from which they are to live in a nice home on the South Corner road.

The groom is the son of Mr. and Mrs. George A. Andrews of Canaanville and he is the daughter of Mr. and Mrs. George M. Flint of Ash street.

165 IN ENTERING CLASS.

Windham High Opens with the Largest on Record.

The opening of the Windham High school was attended with gratifying merriment on Monday morning, despite its uncompleted condition and the handicap thereby, and it was marked by an entering class that broke all previous records in point of size. One hundred and sixty-five names, approximately, of new students in the freshman class were recorded by Principal E. A. Case or the teachers and thirty others in the sophomore class.

The influence of the Windham High school beyond the town of Windham, was convincingly demonstrated by the attendance from the day morning and the night sessions. A number of students, 130, or nearly half, are from the outlying towns. Another interesting feature was the choice of studies. It was noted that nearly half the students have chosen the commercial course, while the majority have chosen to follow classical and scientific lines with a considerable majority in favor of the former.

DEMOCRATIC TICKET.

Caucus Made Its Selection with But One Contest.

One hundred and fifty democrats in town caucus assembled Monday evening but a ticket in the field with certainty. No opposition developed except in the nomination for registrar of voters, for which office P. D. Donahue found a rival in John J. Curran. On the first ballot, 12 votes were cast, of which 72 were necessary for a choice. Donahue got 65 and Curran 7. A second ballot was held and the results were blank and 3 scattering. On the second ballot, 144 votes were cast, necessary for choice, 75. Donahue got 79 and Curran 65.

The meeting was called to order by Chairman James E. F. Toney. The democratic town committee at 8.15 and on motion of Oscar O. Tanner Mr. Toney was elected to the chair. Mayor Daniel P. Dunn, the council meeting over, was elected clerk on motion of Patrick Minahan. On motion of Town Clerk Frank P. Fenton, the clerk was instructed to cast one ballot for James P. Mustard as nominee for assessor for three years. This was the procedure on all nominations save the one contest, and the rest of the ticket was made up as follows:

Board of relief, George Mahen, nominated by Robert E. Mitchell; Thomas Cashon, nominated by Charles Taylor; first selectman, R. E. Mitchell, unanimously renominated on motion of Oscar O. Tanner; second selectman, George H. Backus, unanimously renominated; agent town deposit fund, Arthur Radcott; auditor, John H. Norison, renominated; collector of town taxes, Matthew P. Henley; constables, Thomas Killouray, Henry Ledoux.

James Moriarty, Mitchell Laramie; school committee, Dr. W. P. S. Keating, Charles Tucker.

The caucus was over at 9 o'clock after the town committee had been empowered to fill vacancies.

Prohibitionist Town Ticket.

The members of the prohibition party gathered in the selectmen's rooms in the town building Monday evening, six of them being present, and made nominations for the several town offices. T. Deloraine Conant was chairman and E. E. Doolittle acted as clerk. The ticket was made out as follows: Assessors, Clark E. Oman; board of relief, Clark O. Terry, Orrin E. Colburn, selectmen, Leander Austin, C. L. Clinton; agents town deposit fund, J. Deloraine Conant; auditor, Henry E. Anthony; collector of taxes, George H. Hale; constables, Elmer Engstrom, Alfred Lathrop, Harry L. Faten, Charles P. Packard; registrar of voters, Cassius A. Barstow; school committee, C. C. Case (republican), Walter E. King (republican). The committee was empowered to fill vacancies.

Mr. Conant was asked as to the state of the treasury by one of the faithful and it was learned that the last campaign had cleaned it completely out, when the hat was passed and funds were secured with which another fight can be started.

HELD SHORT MEETING.

Aldermen Hurried Business Along Because of Democratic Caucus.

The regular session of the board of aldermen of the city of Willimantic was of short duration on Monday evening. Mayor Daniel P. Dunn called the meeting to order a minute after 8 o'clock, and the aldermen, Graves arose and said that in respect to the democratic brethren downstairs the desire was to have City Clerk Scripture read the bills and the sidewalk petitions and then adjourn the meeting one week. The motion was adopted and unanimously voted, so the monthly bills were read by the city clerk and were approved, with one exception. This was in the case of Andrew & Gelormino, the contractors who built the sewer on Mansfield avenue. There is a legal question as to whether or not they are entitled to be referred to the corporation counsel to look over and adjust.

Applications for sidewalks were read from the Connecticut state board of education, S. B. Willard, agent, for a walk on Valley street from St. Mary's Roman Catholic corporation, Rev. J. J. Papillon, secretary, Maple avenue; from T. A. Lyman, Spring street, and Jacob Cohen, Main street.

The meeting was adjourned after a dozen minutes of business until next Monday evening.
